Re: Charitable Contribution Request

Dear Community Partner,

The world around us is filled with broken and hurting people. Families are trying desperately to provide basic necessities so that their children can grow, develop, and mature into successful adults. Like us, I am sure you receive countless requests for assistance to help meet the vast needs of our community. Allow me to say thank you for the work you do to make a difference and to give back!

I would like to invite you to partner with Berean in a meaningful way that helps provide for the real needs of kids in our community and helps encourage a sense of unity and cooperation within our neighborhoods.

Community partners like you have made it possible for Berean Baptist Church to play an active role in the Burnsville community for almost 60 years. We have developed partnerships with local schools, area churches, outreach centers, and the city government to provide for individuals and families in need; things like food, school supplies, clothing, Christmas gifts, car repairs, professional counseling, financial coaching and assistance, and so much more. All of which is always free of charge.

Our first ever free, one-day School-A-Palooza event was held in August 2021. Kids received resources to help them prepare for a great start to the school year. Berean and area businesses partnered to provide both NEW and gently used clothing, winter gear, school supplies, and backpacks for 1,050 students from kindergarten to twelfth grade. In addition, we provided breakfast for everyone, back-to-school haircuts for kids, and door prizes to help families meet other basic needs for groceries, oil changes, and more. There were even Interpreters on hand to assist our Russian, Somali, Hispanic, and deaf communities. Words just don't do this event justice; it has to be seen to be believed. Scan this QR Code to watch a video of this exciting event!

Preparations are already underway for **School-A-Palooza 2022** to be held on August 20. Conservatively, we estimate hosting over 3,000 students this year! Our first event was very well attended, with families coming not only from Burnsville but also from the surrounding communities of Apple Valley, Rosemount, Eagan, Lakeville, and Farmington. Some families even traveled from up to 45 miles away! With your help, we can continue to help build a stronger community and give families the help they need to be successful.

Please review the partnership information included in this packet and consider either making a financial contribution, which will be used to purchase needed supplies, or donating items from the provided shopping list. 100% of your donation will go to families from our community through the School-A-Palooza event.

Please let us know how you will support this event so that we can plan accordingly. Contact me at kayl@bereanbaptist.com or 952-223-1835 to discuss your partnership with Berean.

We look forward to working with you - *together* we can make an impact for the next generation!
