[Sermon on the Mount by Jen Wilkins](#)

What does it mean to be a citizen of the kingdom of Heaven? In His sweeping depiction of kingdom citizenship, Jesus utters some of the most familiar passages in all of Scripture. Most of us have only encountered the Sermon on the Mount in fragments. We will consider its subdivisions as complete teachings in their own right – a study on blessedness, a reflection on the Lord's Prayer, a meditation on lilies of the field.

[1 Peter by Jen Wilkin](#)

Our inheritance through Christ is imperishable, undefiled, and unfading. In 1 Peter, a man of faith and flaws and eyewitness to the life of Christ challenges us to look beyond our current circumstances to a future inheritance. He shares his concerns on big picture issues for the early church, describes believers' true identity in Christ, and ultimately helps readers discover what it means to experience the Living Hope they have in Christ.

[Better Together MORE Mentoring Ministry](#)

Our God created us for relationships. Are you desiring to develop a deeper relationship with another woman in our faith family? Our new women's mentoring ministry "Better Together Mentoring" is about:

- connecting women one-on-one
- journeying through life together
- learning to relate authentically through God's Word
- connecting with each other through encouragement and prayer

It's all about walking alongside each other, listening, loving, and pointing each other to Jesus. Each session is very relational and saturated in Scripture. You will reflect on an attribute of God each time you meet, and there is a beautiful pathway for prayer which is foundational for each session. This pathway is a safe, simple, and easy way to build confidence and accountability in your prayer life. Time Commitment: 13 Sessions, twice a month, 1 ½ hours.

Registration opens October 1, 2020, with mentoring beginning in January 2021.
